**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-32 are allowed.

The following is an examiner's statement of reasons for allowance:

A communication network having a bus having a first line and a second line and a plurality of devices connected to the bus, the communication network comprising: a switch operably connected to the bus and at least one of the plurality of devices the switch being responsive to the bus to generate a terminate enable; a connector operably connecting the at least one device to the bus; and, a terminal resistor operably connected to the switch, wherein the switch inserts the terminal resistor between the first line and the second line of the bus in response to the terminate enable to electrically terminate a new end of the network

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to PHUC H. TRAN whose telephone number is (571) 272-3172. The examiner can normally be reached on M-F (8-4:30).
